STATE OF MINNESOTA  
POLLUTION CONTROL AGENCY

-----  
In the Matter of the  
KUMMER COUNTY SANITARY LANDFILL  
-----

RESPONSE TO  
INFORMATION REQUEST

Dave Walters, Inc. for its Response to Information  
Request Pursuant to the Environmental Response and Liability Act  
states as follows:

1. Indicate whether Dave Walters, Inc. ever disposed of  
solid or hazardous wastes at the Kummer Sanitary Landfill or  
whether any solid or hazardous wastes generated by Dave  
Walter's, Inc. were disposed of at the Kummer Sanitary Landfill.

RESPONSE: To the best of its knowledge and  
understanding, Dave Walters, Inc. has never disposed of  
hazardous waste at the Kummer Sanitary Landfill nor has it  
generated any hazardous waste which was disposed of at the  
Kummer Sanitary Landfill. Dave Walters, Inc. has disposed of  
solid wastes at the Kummer Sanitary Landfill. This solid waste  
consisted primarily of leaves, stumps, brush, household garbage  
and refuse.

Dave Walters, Inc. owns and manages two mobile home parks  
which include approximately 300 mobile home units. The vast  
majority of waste disposed of by Dave Walters, Inc. at Kummer  
Sanitary Landfill has been common household and maintenance  
refuse generated by these units.

2. If the answer to item 1. above is yes, who transported the wastes to the Kummer Sanitary Landfill for the Company.

RESPONSE: Dave Walters, Inc. has transported the waste to the Kummer Sanitary Landfill for the past two years. Prior to that time, the City of Bemidji transported the wastes.

3. If the answer to item 1. above is yes, identify the person(s) responsible for selecting the Kummer Sanitary Landfill as the disposal site for Dave Walters, Inc. solid or hazardous wastes.

RESPONSE: Beltrami County.

4. If the answer to item 1. above is no, indicate where Dave Walters, Inc. disposed of their solid and hazardous wastes.

RESPONSE: With reference to hazardous wastes, the only potential hazardous wastes that we are aware of consist of wastes generated by our auto body show which has been in existence for approximately 2½ years. All liquid wastes generated have been stored in tanks and then sold to a reclaimer. His name is Marlin Johnson. His address is

NON-RESPONSIVE

**NON-RESPONSIVE**

5. With respect to each solid or hazardous waste generated by Dave Walters, Inc. which was disposed of at the Kummer Sanitary Landfill, state the following:

- (a) The chemical composition of each waste disposed and the test or evaluation procedure utilized in making this determination;

- (b) The total amount (by volume and weight) of each type of waste disposed of in each calendar month (if monthly totals are not available, provide the amounts disposed in each calendar year);
- (c) Whether the waste is a hazardous waste;
- (d) The disposal method utilized for each type of waste.

RESPONSE:

- (a) Unknown.
- (b) Unknown. In 1984, we hauled approximately 18 yards of garbage each week on the average.
- (c) We do not believe any of the waste generated and hauled by us to Kummer's Landfill was or is a hazardous waste.
- (d) All solid wastes were trucked to Kummer's Landfill. All liquid wastes were sold to the reclaimer named above.

With reference to the request to identify and produce for inspection and copying or provide copies of all documents relating to the information requested herein, at this time, the only documents of which Dave Walters, Inc. is aware are monthly statements from Kummer's Landfill. These documents will be made available for inspection at a mutually agreeable time at the offices of Smith, Carpenter, Benshoof & Klein, P.A., 115 5th Street, Benidji, MN 56601.

**Dated:** March 13, 1985.

DAVE WALTERS, INC.
